# RAVE PANIC BUTTON
FOR K-12 SCHOOLS

Fast, Smart, Reliable **School Safety**

From medical situations to the unthinkable, **Rave's Panic Button application provides one-push activation of any type of emergency**. With Rave, a Motorola Solutions company, schools can instantly trigger a 9-1-1 response or send smart notifications to key stakeholders based on the type of event and location.

KEY FEATURES AND FUNCTIONALITY TO HELP YOU:

📢 INFORM THE RIGHT PEOPLE INSTANTLY

🔗 INTEGRATE WITH UNLIMITED SYSTEMS & CAP MESSAGES

👮 QUICKLY BRING RESPONDERS ON-SCENE

📋 HELP EVERYONE TAKE THE RIGHT ACTIONS

📄 ENSURE COMPLIANCE WITH STATE REGULATIONS

"

The value of Rave Panic Button is that you're not only ***notifying 9-1-1*** *about an emergency. You're also* ***alerting your staff and key people in the building about what's going on****. That's the most critical improvement that the product brings, especially as a superintendent."*

FASTER RESPONSE TIMES
- Quickly activate any type of emergency with one push
- Easily access emergency response plan
- Immediately launch custom workflows and notifications

IMPROVE SITUATIONAL AWARENESS
- Get a mobile view of the situation and view location details
- Provide actionable information to all impacted parties like floor plans
- Enable two-way communication and ensure real-time coordination

STREAMLINE COMMUNICATIONS
- Staff assist - quick internal communication without initiating a call to 9-1-1
- Status checks - administrators can request information from school staff and identify the greatest area of need
- Notify staff about fire drills, gas leaks, medical incidents, disruptive students, and more

EASY TO USE
- Extremely simple and user-friendly interface
- Application does not drain phone battery
- Get up and running in a few days with world-class 24/7 support available at every stage

Help your teachers, parents and students feel safe with direct access to the resources they need in the palm of their hands. The Rave Panic Button has partnered with thousands of schools, districts, and state & local agencies to empower their school staff and get the right information to the right people at the right time. It is easy-to-use, easy-to deploy, and reliable – a trusted partner to work every time, when seconds count.
